

A photograph showing a person from the waist up, wearing a light blue denim shirt. They are holding a black smartphone in their left hand and pointing with their right index finger towards a large sheet of architectural blueprints spread out on a wooden table. The blueprints show floor plans with various rooms and dimensions. In the background, there's a window with a wooden frame and some blurred interior elements.

# HUMANS first LIFT

**Servicio de consultoría espacial y operativa que resuelve cómo adaptar estratégicamente la arquitectura e infraestructura de un espacio concebido pre-pandemia a la nueva normalidad.**

---

*Spatial and operational consulting service that solves how to adapt the architecture and infrastructure of a pre-pandemic-conceived space to new normality.*

---

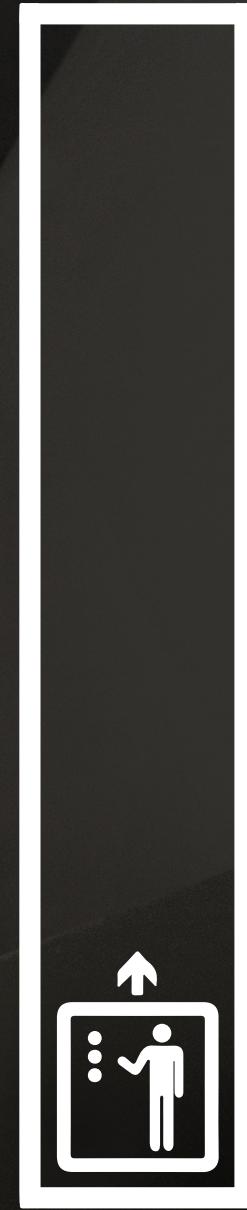

# /cómo lo hacemos /how we do it

La consultoría LIFT busca elevar la visión sobre la infraestructura corporativa ubicando al ser humano como eje central e incorporando el equilibrio preciso de las estrategias Humans First (SAFE, RESIZE, FREESTYLE) para adaptar el Workspace a la nueva normalidad.

*LIFT consulting seeks to raise the vision of corporate infrastructure by placing the human being as the central axis and incorporating the precise balance of Humans First strategies (SAFE, RESIZE, FREESTYLE) to adapt the Workspace to the new normal.*
